

Speed Hump Petition Form

Before you sign the petition

A series of speed humps has been requested in your neighborhood. If installed, the speed humps would be three-and-half inches high at their highest point and twelve feet wide. The speed humps would extend the full width of the street except for the curb and gutter.

These speed humps are being requested for:

In the space provided, please sign your name and check the "yes" box if you desire the installation of the speed humps. Check the "no" box if you do not wish to have the speed humps installed, and "no opinion" if you do not have an opinion regarding whether or not the speed humps are to be installed. Please ensure that all information is accurate and legible. All information that cannot be read or verified will be counted as "no opinion."
